## **B. CLASS A SHARES**

The rights, privileges, restrictions and conditions attaching to the Class A Shares are as follows:

### **1. Priority**

In the event of liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or on the occurrence of any other event as a result of which holders of Class A Shares are entitled to a distribution of assets of the Corporation for the purpose of winding-up its affairs, Class A Shares and Class B Shares shall rank equally with each other and in priority to any other shares of the Corporation ranking junior to the Class A Shares and Class B Shares.

### **2. Voting Rights**

The holders of the Class A Shares shall be entitled to receive notice of and to attend and vote at all meetings of the shareholders of the Corporation (except where the holders of a specified class or classes of shares, other than Class A Shares, are entitled to vote separately or collectively as a class as provided in the applicable share conditions or in the Act) and each Class A Share shall confer the right to one vote in person or by proxy at all such meetings of shareholders of the Corporation.

### **3. Distributions**

- (a) Subject to Section B.3(c) and Section B.3(d) below, the holders of the Class A Shares shall be entitled to receive and the Corporation shall pay thereon Distributions as and when declared from time to time by the board of directors of the Corporation on the Class A Shares, out of the assets of the Corporation properly applicable to the payment of Distributions, in an amount determined by the directors of the Corporation in their absolute discretion.
- (b) Subject to Section B.3(c) and Section B.3(d) below, Distributions will be paid in cash, by cheque, money order or bank draft.
- (c) Notwithstanding the foregoing, the board of directors of the Corporation may, for fiscal planning or other tax efficiency reasons, in its discretion declare that a Distribution will be payable to holders of Class A Shares of record on December 31. Each such Distribution may be satisfied by the issuance of additional Class A Shares and/or cash and/or other property of

the Corporation. Immediately following payment of any such Distribution in Class A Shares, the number of Class A Shares outstanding after the Distribution will be consolidated such that each Class A Shareholder will hold after the consolidation the same number of Class A Shares as the Class A Shareholder held before such Distribution. In such case, each certificate representing one or more Class A Shares prior to the Distribution of additional Class A Shares shall be deemed to represent the same number of Class A Shares after the Distribution of additional Class A Shares and consolidation. Notwithstanding the foregoing, where tax is required to be withheld from a Class A Shareholder's participation in such Distribution, the consolidation will result in such Class A Shareholder holding that number of Class A Shares equal to (i) the number of Class A Shares held by such Class A Shareholder prior to the Distribution plus the number of Class A Shares received by such Class A Shareholder in connection with such Distribution (net of any taxes withheld) prior to the consolidation multiplied by (ii) the fraction obtained by dividing the aggregate number of Class A Shares prior to such Distribution by the aggregate number of Class A Shares that would be outstanding following such Distribution and before the consolidation if no withholding were made in respect of any part of such Distribution payable to any Class A Shareholder. Any such Class A Shareholder will be required to surrender the Class A Share certificate(s), if any, representing such Class A Shareholder's original Class A Shares, in exchange for a certificate representing such Class A Shareholder's post-consolidation Class A Shares.

- (d) Notwithstanding the foregoing, if the board of directors of the Corporation determine that it is in the best interests of the Corporation and the Shareholders of the Corporation, the board of directors of the Corporation may declare Distributions payable in kind (including, but not limited to, any assets of the Corporation) in an amount determined by the directors of the Corporation in their absolute discretion.

#### 4. **Redemption**

- (a) Subject to Section B.5, each holder of Class A Shares shall be entitled, subject to and upon compliance with the provisions hereof, to require the Corporation to redeem all or any part of the Class A Shares registered in the name of the holder on the Redemption Date at the Redemption Price for each Class A Share so redeemed. Any Distributions declared but unpaid on or before the Redemption Date in respect of Class A Shares tendered for redemption shall also be paid on the Redemption Payment Date.
- (b) Each holder of Class A Shares who elects to present and surrender to the Corporation for redemption on the Redemption Date all or any Class A Shares registered in the name of that holder must, by no later than 4:00

p.m. (Toronto time) on December 13, 2013, deliver a notice of redemption in the form specified by the Corporation at such place or places in Canada as shall be specified by the Corporation from time to time. Payment for Class A Shares deposited shall be calculated as of the Redemption Date and shall be made on or before the Redemption Payment Date. Any notice of redemption delivered after 4:00 p.m. (Toronto time) on December 13, 2013 shall not be acted upon by the Corporation and holders of Class A Shares who have tendered their Class A Shares for redemption in such circumstances shall be accordingly notified by the Corporation and shall have and shall be advised that they have the right to withdraw such Class A Shares surrendered for redemption.

- (c) Subject to Section B.5, the Corporation shall redeem on the Redemption Date all of the Class A Shares properly surrendered pursuant to the redemption privilege in this Section B.4 at a price per Class A Share equal to the Redemption Price. On or before the Redemption Payment Date, the Corporation shall pay or cause to be paid to or to the order of the registered holders of the Class A Shares, the Redemption Price for each Class A Share so redeemed in cash, by cheque, money order or bank draft. From and after the Redemption Date, the Class A Shares tendered for redemption shall cease to be entitled to any participation in the assets of the Corporation and the holders thereof shall not be entitled to exercise any of their other rights as shareholders in respect thereof other than the right to receive payment of the Redemption Price for each Class A Share so redeemed. Class A Shares which have been surrendered to the Corporation for redemption and which have been redeemed on the Redemption Date shall be deemed to be outstanding until, but not after, the close of business on the Redemption Date.

5. **Other Redemption Provisions**

- (a) The Corporation will not accept for redemption on the Redemption Date Class A Shares representing more than 15% of the issued and outstanding Class A Shares immediately preceding the Redemption Date. In the event that the number of Class A Shares tendered for redemption in respect of the Redemption Date exceeds the limit set forth above, the Corporation will redeem such Class A Shares tendered for redemption and not withdrawn on a pro rata basis (rounded down to the nearest whole number of Class A Shares). The Corporation will notify in writing each holder of Class A Shares of the number of Class A Shares held by such holder that are entitled to be redeemed by the Corporation on such pro rata basis.
- (b) Notwithstanding the limitations on redemption set forth in Section B.5(a), the directors of the Corporation may, in their sole discretion, waive the limitation in respect of all Class A Shares tendered for redemption on the Redemption Date.

6. **Election Irrevocable**

Subject to Sections B.4(b) and B.5(a), the election of any holder to present and surrender any Class A Shares for redemption shall be irrevocable upon the receipt by or on behalf of the Corporation of the documentation and instruments required by the Corporation in connection therewith.

7. **No Fractions**

The Corporation may not issue fractions of Class A Shares.

C. **CLASS B SHARES**

The rights, privileges, restrictions and conditions attaching to the Class B Shares are as follows:

1. **Issuable in Series**

The Class B Shares may be issued from time to time in one or more series composed of such number of shares and with such special rights, privileges, restrictions and conditions attached thereto as shall be fixed from time to time before issuance by any resolution or resolutions providing for the issue of the shares of any series which may be passed by the directors of the Corporation and confirmed and declared by articles of amendment including, without limiting the generality of the foregoing:

- (a) the rate, amount or method of calculation of any Distributions, including the priority to receive such Distributions, and whether such rate, amount or method of calculation shall be subject to change or adjustment in the future, the currency or currencies of payment, the date or dates and place or places of payment thereof and the date or dates from which any such Distributions shall accrue;
- (b) any rights of redemption or purchase and the redemption or purchase prices and terms and conditions of any such rights;
- (c) any rights of retraction vested in the holders of Class B Shares of such series and the prices and terms and conditions of any such rights;
- (d) any voting rights;
- (e) any rights of conversion or exchange (including conversion or exchange into Class A Shares);
- (f) any rights upon dissolution, liquidation or winding-up of the Corporation; and
- (g) any other provisions attaching to any such series of Class B Shares.

2. **Priority**

In the event of liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or on the occurrence of any other event as a result of which holders of Class B Shares are entitled to a distribution of assets of the Corporation for the purpose of winding-up its affairs, Class A Shares and Class B Shares shall rank equally with each other and in priority to any other shares of the Corporation ranking junior to the Class A Shares and Class B Shares.

**D. RESTRICTIONS ON OWNERSHIP OF SHARES**

No Shareholder of the Corporation is permitted to hold at any time, directly or indirectly, together with Related Persons, more than 25% of any class or series of the issued Shares of the Corporation.

In the event that (i) the exercise by any Shareholder of a redemption right associated with their class of Shares, or (ii) as determined by the board of directors of the Corporation in its sole discretion, any other transaction affecting any Shares (each a “**Triggering Transaction**”), if completed, would cause any holder(s) of such Shares (each an “**Automatic Repurchase Shareholder**”), together with Related Persons, to hold more than 25% of such class of Shares, that portion of such Shares held by each Automatic Repurchase Shareholder which constitutes in excess of 24.9% of the issued Shares of such class (the “**Repurchased Shares**”) will, simultaneously with the completion of a Triggering Transaction, automatically be deemed to have been repurchased by the Corporation (an “**Automatic Repurchase**”) without any further action by the Corporation or the Automatic Repurchase Shareholder. The purchase price for any Repurchased Shares will be equal to the Market Price, less any costs associated with such purchase. The proceeds of any Automatic Repurchase will be remitted to each applicable Automatic Repurchase Shareholder at the time of the Automatic Repurchase.
